

The historic Luther Place Memorial Church (14th & N Streets NW)

Intersection of 14th & U Streets NW

The Studio Theatre (14th & P Streets NW)

Thomas Circle

PROJECT BACKGROUND

The 14th Street NW Streetscape project corridor spans approximately one mile from Thomas Circle to Florida Avenue. It is a diverse major multi-modal transportation arterial with an active business community. The District Department of Transportation (DDOT) is working to create a safer, more livable, sustainable and attractive corridor.

PROJECT OBJECTIVE

The project objective is to increase multi-modal safety and accessibility; improve mobility and pedestrian safety with ADA compliance; and improve the corridor with new streetscape.

PROJECT IMPROVEMENTS

- ADA compliance (ramps and vaults)
- Roadway resurfacing
- Installation/upgrade of curbs and gutters
- Installation of bus stop islands
- Drainage improvement
- Landscaping – installation of tree boxes
- Sidewalks and crosswalks
- Streetlights & traffic signals
- Bicycle facilities
- Multi-space parking meters
- Low Impact Development (LID) – bioretention planters, permeable pavers
